Precautions for Use

⚠ Glass is fragile and may break. Handle carefully during normal use and cleaning.

⚠ Do not allow children to use this product. Do not use near children, and store out of reach of children.

⚠ Please use extreme caution to avoid burns and other injuries during use.

- Wash the product before using for the first time.
- To prevent injury, make sure there are no cracks or chips prior to use.
- Do not use the product if it is cracked, broken, or heavily scratched as it may break unexpectedly.
- Do not strike or scrape the inside of the glass container with a metal spoon. Doing so may damage the product.
- If the product becomes damaged, please handle any broken pieces with care.
- Follow local rules on garbage disposal when disposing of this product.
- When handling the product, please avoid holding it by the spout, as there is a risk of the glass becoming detached.
- The bottle may not be suitable for high-viscosity liquids, like syrup.
- The spout may become clogged if the contents of the bottle include large, solid pieces. Make sure to finely chop all ingredients before adding them to the bottle.
- Due to the properties of the materials, colors or odors from food that has a strong color or odor may transfer to the item if stored for a long period of time. Be sure to wash immediately after use.
- Do not place plastic parts near open flames.

Product care

⚠ Use a soft sponge and neutral detergent to clean this product.

⚠ Do not use cleansers or sponges that contain abrasives, as doing so may scratch the glass.

● This product is dishwasher safe. Be sure to read the instruction manual provided with your dishwasher before use.

● If the glass is particularly dirty, use a diluted household bleach. Be sure to read the handling precautions of the household bleach thoroughly. Rinse thoroughly with water after bleaching.

● This product can be sterilized by boiling.

Compatible	Incompatible	
 Sponge	 Cleanser	 Steel scrubbing brush
 Neutral detergent	 Abrasive sponge	 Nylon abrasive scrubbing brush

● If you are concerned about any stains, you can disassemble it and clean it as shown below.

1. Remove the spout

Hold the knob, and pull up.

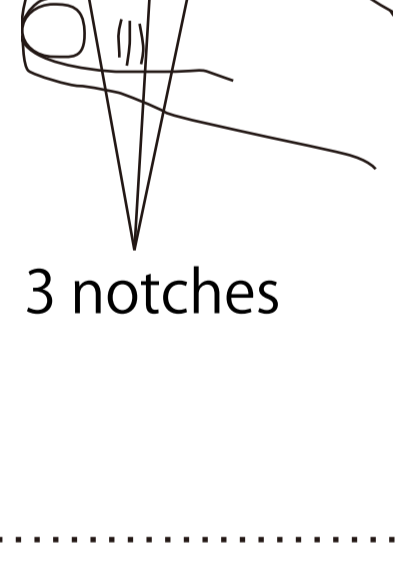

<Pull up the spout>

2. Remove the lid

The top- and bottom parts of the lid can be removed, and cleaned individually. To disassemble the lid, hold the top- and bottom parts firmly and pull them up and down. When re-assembling the lid make sure to align the three notches on the inside.

<Remove the top and bottom lid>

3 notches

3. Remove the silicone rubber packing.

One-touch dressing bottle features

Shake and stir

Put the dressing ingredients into the body, close the lid tightly, and shake to mix.

Angled spout

Easily pour dressing, oil or sauces.

Slim profile

The slim shape makes the bottle easy to store in the refrigerator.

Open and close with one touch

Open the bottle by pressing down the flat side of the spout until it is vertically aligned.
